

# I LUV SUITS

## OVERVIEW

I Luv Suits is played with a standard 52-card deck. The objective of the game is to form a flush with as many cards of the same suit and highest rank to beat the dealer's qualifying hand. The dealer qualifies with a 9-high, 3-card flush. The hand with the most cards of the same suit along with the highest ranking wins.

## GETTING STARTED

You must make a required Ante wager to play the game. You may also wager on the Flush Rush Bonus and/or Super Flush Rush Bonus side bet. Each player that makes an Ante wager will receive seven cards to form a flush with cards of the same suit.

## HOW TO PLAY

After all cards have been dealt, the player will have the decision to either fold, raise 1x their Ante bet if they have a 2, 3, or 4-card flush, 2x their Ante bet if they have a 5-card flush, or 3x their Ante bet if they have a 6, or 7-card flush. The dealer must qualify with a 9-high, 3-card flush. If the dealer does not qualify, the Play wager is a Push and the Ante wager is paid 1 to 1. If the dealer's flush is bigger than the player's, the Ante and Play wagers lose. If the dealer's and player's flush are the same rank, it is considered a tie and the Ante and Play wagers Push. If the player's flush is bigger than the dealer's the Ante and Play wagers will both pay 1 to 1.
